

**BEACHWOOD, OHIO MUNICIPAL COURT
BEACHWOOD, OHIO
JURISDICTION**

BEACHWOOD, OHIO POLICE DEPARTMENT

Case No. _____

BEACHWOOD, OHIO CITY PROSECUTOR

BEACHWOOD, OHIO MUNICIPAL COURT

NOTICE # 1"

SHAKER HEIGHTS, OHIO MUNICIPAL COURT

Plaintiff,

VS. Jessica Johanan living soul, Respondent

Now comes the respondent with the first notice to all concerned parties after the initial filing was filed to the City of Beachwood, Ohio's prosecutor/law department to address any complaints regarding issues that the city of Beachwood has or has had with respondent. Be advised that any offers to contract was received an accepted contingent upon the conditional offer of acceptance for value notice that was sent to you on 6/15/2024.

The offer that you present for respondent to accept any allegations of "606.14 Obstructing Official Business, 414.01 Traffic Control Device and 436.091 Unlawful License Plates" are to be accepted upon a successful proof of claim.

Your offer is now hereby returned to you redrafted of my choosing withing no contract with you in full accord with fair debt collection, Regulation Z, Truth in Lending. I do not personally know you, do not know where you come from, do not understand your intent and do not recognize you. You have failed to comply with 26 USC 6065 which require your wet-ink autograph under the penalties of perjury.

You have failed to state a claim upon which relief can be granted. If you and all that you represent believe somehow that you represent anything pertaining to me, that is not the case at this point. You are fired and are not to be rehired. At this point, you still have 72 hours to respond to the original Conditional Offer of Acceptance for Value offer...as a little grace period will permit you a little extra time to provide a response.

Upon your successful completion of the request for a proof of a viable claim, all allegations mentioned earlier will be fully accepted.

Respondent is to receive full due process and will not accept any offers/contracts to accept any short-cuts to eradicate and or circumvent this process.

During the officer's BOUW's interaction with Johanan he mentioned that 'legislation was made by the state' and was forcing to impose legislative law on Johanan. Johanan operates out of common law primarily and there's legislative facts vs. adjudicator facts. The officer was out of his request to offer to have Johanan to offer up private trust property to be towed at her own expense.

Since there was a statement made by two higher level officers that Johanan would be issued a warrant for an arrest, Johanan now places the court and all concerned parties on notice (The prosecutor, The entire police force and both the Beachwood Mayor's court as well as the Shaker Heights Municipal Court) that this cause will be moved to an article 3 court to present the adjudicative facts.

In addition, Johanan places all concerned parties on notice that the warrant that is to be issued will be set aside (quashed) based on the adjudicative facts that are to be heard in Federal Court. Once that federal court notification is placed, a number will be issued for which Johanan will provide all concerned parties with at the appointed time.

Thank You for your time,

June 16, 2024

Good Day, I had a terrible experience today with the police of Beachwood, Ohio officer B.Bouw. The first 3 officers that he was with allowed me to leave. He pulled to the scene after they allowed me to initially leave to try to destroy my life after I sent this email to all concerned parties last year. I explained that I do not drive but I travel. I gave my passport and my dob which I technically did not have to do but out of respect for authority I did.

It was verified that the vehicle belongs to me. That wasn't the issue. I had 2 children in the car and my friend. This officer tried to take my vehicle from me today after I did not consent to him making a wreck of my day. I am a single mother. I did not authorize for him to take my vehicle and leave my two children and I stranded. I have a license for when and if I need to drive for work. When I'm traveling in my private capacity, I do not owe anyone a license, insurance (although I showed him my bond) or any registration as I chose to never register my vehicle. I politely pulled off. I don't have money to give to Beachwood Ohio. I was told a warrant would be issued to me after I politely conveyed everything to Mr. B. Bouw as I feel as though I was being discriminated against for being a minority in the city of Beachwood Ohio. My car stopped because I needed some help and my on star services helped me. This officer Bouw wanted to harass me, and I did not consent to him towing my car that I never registered to the state. I'd like to begin a case against B. Bouw personally and not the city of Beachwood, Ohio nor any others involved in this traveling private person's stop.

Thank You,

I'd like to start a claim.

Hello Ms. Johanan,

Sgt. Calvey forwarded your inquiry to me as I am the attorney prosecuting the charges against you. It is not the Officer's roll nor my roll to explain charges to you. You may seek legal representation on your own. If you feel the need to communicate prior to a pretrial in this case, please direct all future correspondence to me as the charges have been approved and I will be handling the matter going forward.

I will not be responding to any of your claims related to traveling versus operating or federal DOT numbers or any other inquiry of such a nature as they are irrelevant to the state traffic and criminal charges against you.

Thank you,

observed a copper in color Buick Encore with its hazards lights on eastbound in the left turn lane
on Eaton Blvd. at Richmond Road. The vehicle had the word "TRAVELER" typed out on a
white sheet of paper displayed in the rear license plate holder. The vehicle owner, Jessica
Johanan, stated she has never registered her vehicle. When Jessica was told she was going to be
issued a traffic citation and we were going to tow her vehicle, she drove off. Jessica made a right
(south) hand turn against a steady red traffic control device towards Harvard Road to prevent
officers from issuing her a citation and to avoid her car being towed. Prior to Jessica driving off,
she was informed if she did so, a warrant would be issued for her arrest.
